Collegiate

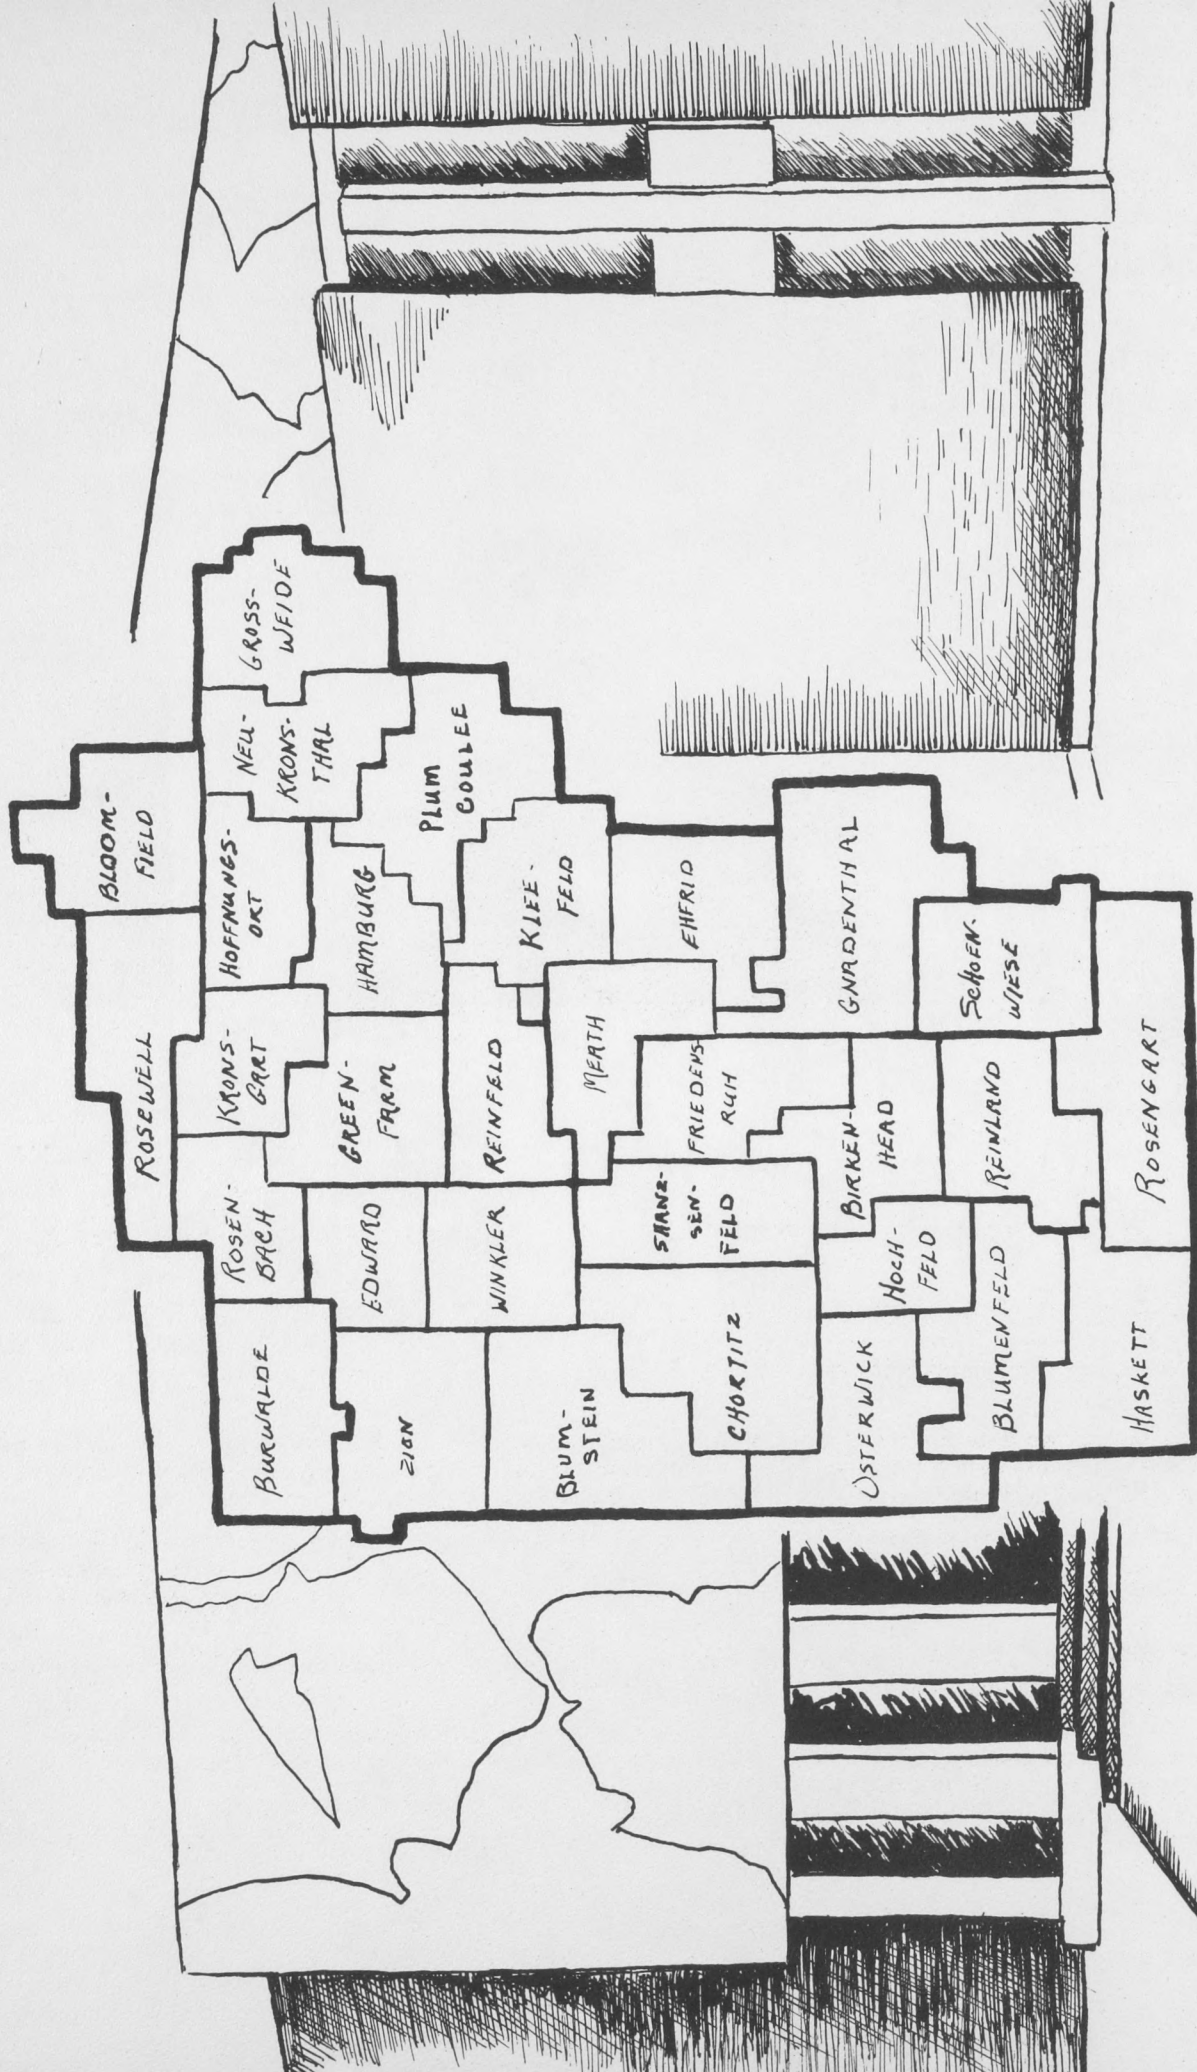

1964-1965

Dedication

For unselfishly serving on the staff of our Collegiate since 1944, acting as Secretary Treasurer of the Winkler School Board, as well as making contributions in other areas of community endeavor, this Yearbook is respectfully dedicated to Mr. G. G. Siemens. May God give you the joy of seeing many of your students follow your example and grow into useful men and women.

GARDEN VALLEY SCHOOL DIVISION

Message From The Division Chairman

I would like to congratulate the Grade XII students who will be graduating from our Collegiate this year. It has been a pleasure having you attend our school and the members of the Garden Valley School Division board join me in wishing you God's blessing as you pursue further studies or choose your life's work.

A special word of appreciation goes to all students this year for the co-operation and understanding you have extended to the staff and board. The crowded and inadequate facilities you had to contend with certainly tested your devotion and dedication to the cause of education.

As I write this brief message, information has just come to the Garden Valley School Division that an approval by the Department of Education has been granted to build a 56-classroom-count Collegiate. We are looking forward to supplying the young people of this division with adequate and modern school facilities.

This new school plant will allow for a greater diversification of courses and will thus give a much wider choice to the individual student.

We believe that the young people of our division should have the best education opportunities to prepare them for life. May we all be found faithful stewards of our time, talent and opportunities as we enter this new era of High School education in our community.

Message From The Inspector

It gives me great pleasure to have the privilege of contributing a brief message for your Yearbook.

Every individual, irrespective of social position, age, sex, race, creed, or religion, seeks after happiness — each finding it in different measure in different things. Often this quest is long and tedious; requiring a great deal of preparation, groping, experimenting, participating in various activities — some of which result in feelings of having achieved success and others in failures and frustration. But such is life — it can't be, shall we say, all strawberries and cream, a joy ever-present. We have to take the bad with the good. If there was no bad how would we recognize that which is good and desirable?

Regularly, and frequently, it is wise to pause in retrospect and introspect in order to evaluate one's many ideas, ideals, and activities. Some of your activities have been primarily for recreational purposes, some for educational, and some for both. Your Yearbook, which is a tribute to the student body, required much planning and work but it was also a source of enjoyment and satisfaction. The pleasures that each will derive will increase as the years pass. As you enter fields of occupations, vocations, and professions for which you are preparing and will continue to improve your qualifications you will realize more and more the value of the things you were required to do — things which then were a drudgery. You may even remark — I wish I had done those things which I ought to have done and left undone, those things which I was advised not to do.

I have great faith in the Youth of our Great Country. You have inimitable opportunity for SUCCESS. Successful in terms of Henry Ford who said, "Success is a matter of adjusting one's efforts to obstacles and one's abilities to a service needed by others. Most people think of it in terms of getting. Success Begins in Terms of Giving."

May God bless you with illimitable opportunities to give generously of the best that is in you to make your Alma Mater and your Community one of the best in the country.

Sincerely,
JOHN CHALATURNYK

Message From The Principal

I welcome the privilege of writing a brief message for the "Collegian" because it gives me an opportunity to pay tribute to the students and to the members of the teaching staff for their interest and cooperation in all school undertakings.

First, my thanks go to all students who have faithfully upheld the traditions of the school through the medium of drama, music and speech arts festival, athletics and scholastic achievement. In spite of the extra demands placed upon you, you were always willing to carry your share. It is people like you who are highly esteemed in any society.

I have appreciated immeasurably the work of the student council and the various committees. Throughout the year you have sponsored numerous important school projects including athletics, drama, school newspaper, choir, yearbook, Curtis Magazine Campaign, and the University of Manitoba Concert Group of Artists. These undertakings were highly successful largely because of your energetic promotion and enthusiastic support.

To the editor of this yearbook and her staff and assistants I extend my deep gratitude. No doubt, you must have spent a great deal of thought, time, and energy in compiling this excellent record of the year. The reward for this immense task will be the ability to do greater things in the future. I am convinced that this yearbook will be appreciated by every friend of the school.

You, the teaching staff, I would highly compliment for your professional attitude. Without your unfailing cooperation and ready assistance, our broad extra-curricular program could not have succeeded. What is more, you also provided the opportunity — often teaching overtime — for success in the academic program. Most of the students have responded favourably to your untiring efforts.

To the graduates of this year I offer my congratulations. You have persevered, and finally reached the end of a long road marking the termination of twelve years of study. Indeed, this is a significant milestone on the road to success. I hope that you will continue to prosper in whatever career you choose — further education, adventure or service.

"He who would succeed . . . must have ceaseless industry . . . limitless ambition of purposes . . . unquenchable enthusiasm, coupled with a determination to succeed" — Howard Pyle.

My best wishes go with you.

Valedictory Address, 1964

RITA KRAHN

Mr. Chairman, Honoured Guests, Parents, Fellow Graduates, Ladies and Gentlemen.

"Two roads diverged in a wood, and I — I took the one less travelled by and — that made all the difference." These words of wisdom were written by Robert Frost. Soon it will be necessary for us, as graduates, to choose our future occupation. It is with mixed feelings that we stand at the fork of these diverging roads — looking forward and onward.

Although we feel sad to leave Winkler Collegiate, we are proud to progress further into life. Fellow Graduates, it is my wish that we could accept David Livingstone's motto for our own, "I am ready to go anywhere, provided it be forward."

Our success in later life will depend largely on the training which we have received during our stay at Winkler High. Although we have yet learned only very little of all there is to be known, we know that ours is a growing school and stands as a promise of better things to come. In this day when the attitude of laxity permeates our thinking and way of life, it is of prime importance to keep in mind that whatever we do, think, or say, it should always be "Towards the better."

To you students, who have not yet graduated, it will be up to you to uphold and improve the traditions and ideals of our school that have been instituted and maintained by graduates of former years.

May you zealously guard and further these traditions so that the prestige and reputation of our school may grow. Through this past year we have tried to continue tradition with Winkler Collegiate, in the field of sports, music, and culture. There was never a dull moment, for the football, volleyball, carol service, operetta, festival, curling, basketball, and spring concert all contributed to enrich and enlighten our lives at school. To the strains of our school song, to the cheers of the roaring crowd, and to the encouragement of our newly-introduced cheerleaders, our Winkler Zodiacs took the floor to uphold Winkler's honour and to maintain her reputation of sportsmanship and fair play.

We are grateful to a large number of people who have made it possible for us to enjoy these years at Winkler High. Firstly, I should like to thank the graduates and the staff for having given me the honour and privilege of expressing our thoughts here tonight. Then to the school board, who at present have ever-increasing responsibilities; for the pains of providing us with such splendid educational opportunities, we give our hearty thanks. To the teachers, who have certainly been more than instructors to us, we wish to express our deep gratitude. May you be rewarded for your untiring efforts and unfaltering devotion!

We also owe a great deal to our parents who have continually encouraged us to carry on — even when the going was rough. You have sacrificed much for the promotion of our education, and we trust that in the future we may bring much honour to you.

Now that, through your help we have achieved our first goal of completing High School, we must aspire to something new, either in the field of higher education, or in the world of business. Whichever field we may choose, we could compare our life to that of an athlete's. This points to several things: First, the great purpose to win in the contest, Second, the denial of everything that would hinder success, and Third, determination to persevere in the face of difficulties. Just as a runner in a race is not afraid of the hard work required to win the race, we should not be afraid to strive to become men and women with keenness of mind, resoluteness of purpose, and sharpness of wit.

A philosopher once said that — "The constancy of our purpose is the secret of success. Many have succeeded because they have concentrated on achieving their goal." In order to reach the mountain top we must keep a goal or purpose in mind, such as a distant star which will ever keep us striving upward. This forward look, this struggle, to gain better things has been beautifully expressed by Tennyson when he said, "That which we are we are!" — "One equal temper of heroic hearts made weak by time and fate but strong in will to strive, to seek, to find and not to yield." Yet there is something of even greater value which we should strive to gain for, "What does it profit a man if he gain the whole world and lose his own soul?" Therefore, as well as striving to gain success and achievement upon this earth, it is of greatest importance that we heed the Master's words when he says, "Seek ye first the kingdom of God and his righteousness and all these things shall be added unto you."

Grade XII-B

FRANCES ELIAS

This energetic bright-eyed girl has contributed much to our high school. She is our capable high school pianist as well as literary convener. The one mile distance from her home to school is no hindrance to keep her away from numerous other activities such as, orchestra, I.S.C.F. and church choir. Much of her time is spent in teaching the piano. Her favorite subjects are Biology and Maths, even though it is apparent that her main interest is not in a subject, but in a president.

DON ELIAS

Don's a fun-filled independent guy who knows what he wants — and gets it. Occasionally his spine-tingling yodel is heard echoing down the halls of W.C.I. Week ends he works hard at the Oasis to support his Plymouth. As well as acting in the current school drama, "Charlie's" tenor is an asset to the W.C.I. choir and the "Seniors," a local folk trio. He is a master guitarist, and has played in several professional groups in Winnipeg.

BETTY BRANDT

This pleasant dark-haired girl is always busy doing something exciting. She was a vital member on the volleyball team and is now an enthusiastic basketball player. As she is an active member of the I.S.C.F. executive, much of her spare time is spent serving as secretary treasurer. She sings in the school and church choirs. Her favourite subjects are Maths and Biology. However, she manages to score top marks in the other subjects as well.

PETER DYCK

This jovial character occupies an honour seat in the classroom. He possesses a touch of wit which can spark the class any Monday morning. Peter's activities include singing in the choir, member of choir committee, convener of orchestra committee, and vice-president of the I.S.C.F. Club. He also participated on the winning inter-mural volleyball team in school. Pete makes extra spending money by giving trumpet lessons.

JULIANNA ENNS

Julianna, one of the tallest, friendliest girls of the class, comes to school every morning just in the nick of time. Coming from the school district of Meath, Julianna is in her last year at Winkler High. She enjoys singing in the school choir as well as being on the Yearbook Committee. Although her studies keep her busy she still finds time to teach piano. After completion of High School, Julie intends to pursue the teaching profession.

JANICE FRIESEN

This fun-loving brunette is one of our students who resides outside of Winkler. In the three years that she has attended Winkler High, she has won many friends. Her main interests in school are Biology, physical training, and participating in drama productions. She detests those Chemistry classes. Janice also participates in curling and choir activities. Next year she plans to go into nurse's training.

KEITH WIEBE

Keith is one of the few true blonds left in High school. He's easy to get along with (usually) and ranks high on the popularity chart. Last summer he took one too many motorcycle rides and fractured his knee, which prevented him from actively participating in Basketball. He is a member of the choir, and of the Sports Committee. He seems to favor the idea of acquiring a degree in Phys. Ed. We wish Keith good luck!

MARVIN GINTER

Marvin is a lad with irresistible blue eyes and curly blond hair. He spent his first ten years of school at Horndean. He enjoys curling, swimming and skating. His favorite subjects are P.T. and spare. He is a jovial, carefree person who has made many friends in the two years he has attended Winkler Collegiate. When he is not making wisecracks, you will find his head buried in his books, that is, he is asleep.

SHARON HILDEBRANDT

Sharon enjoys swimming and skating. She dislikes Chemistry and Maths. In the evenings she can usually be found either skating or watching a hockey game at the arena. She is one of the cheerleaders. This is her second year at Winkler and her favorite subjects are Biology and Drama. Her homework is usually done but when it isn't she has the reasonable excuse that she forgot. After high school she plans to become a stewardess.

CLARENCE KROEKER

Clarence Kroeker, better known as "Clancy" to his friends, is one of the jolly fellows of the 12-B classroom. As he is captain of the basketball squad, this sport naturally ranks No. 1 on his list. Singing in the school choir has aided him in the formation of a trio known as the "Seniors." His spare time is consumed in driving "Katherine," his '54 Ford, to and from a nearby town. Arguing with Miss Graffin is also one of his joys. Next year we will probably see him in Teachers College.

RON GINTER

Ron is the tall handsome President of the Winkler Collegiate Student Council. Because of his pleasant personality, he has many friends. Some sports which he participates in are baseball, football, volleyball, and curling. His strong bass voice is usually heard in the school choir. He also enjoys attending young people's and I.S.C.F. Ron's favourite is Maths. but he abhors German. Driving a long sleek Cherry Bel-Air is one of Ron's favourite pastimes.

AGNES HILDEBRANDT

This pretty dark-haired lass first came to Winkler for Grade Eleven. She usually manages to complete "that lousy homework". Her pet peeves range from getting up mornings to writing essays. Her secret ambition is to complete grade twelve, after which she intends to become an air-line stewardess. "Good Grief, what next?" is her favourite expression.

ERNIE PENNER

Ernie originally hails from Sperling. He has managed to remain slim by eating meals he prepared himself. Next year Ernie plans to attend the M.T.I., or to work in Winnipeg. In school he enjoys Maths. and Chemistry, but he dislikes Poetry and Prose. He keeps the class bright with his friendly smile.

MARY REIMER

Due to her philosophy, "no use worrying about it," Mary does not let homework and busy high school life get her down. She works hard and is always willing to help others. She participates in I.S.C.F., Young People's, and choir. Curling, swimming, and volleyball are also some of her interests. Mary was the only privileged one of our ranks to attend the missionary conference held at Urbana this year. She enjoys her week ends at her home on the farm near Rosenbach. Next year Mary intends to enter Nurses' Training.

HARVEY KROEKER

Harv, the co-captain of our basketball team, is the top scorer in Winkler. His extra curricular activities vary from basketball, cross country, and volleyball to taking an active part in the school choir. He is the latest "rookie" to the Winkler Fire Dept. His best subject is Biology. Being a typical student, Harv finds the money which he earns as assistant janitor extremely useful. His future — probably X-ray Technician.

BETTY ANN LETKEMAN

Tiny and sweet, Betty Ann, who hails from Haskett, is spending her second year in the Winkler Collegiate. She favours Biology, but finds other subjects are quite unbearable, namely Chemistry and Drama. Besides day-dreaming about the future and trying to solve those perplexing problems which frequently spring up in Chemistry, she loves to read, eat, and watch T.V. She plans to spend her future career in teaching.

ED TOEWS

This dark-haired blue-eyed lad often livens up the class with his original humour. In School he takes part in sports activities like baseball, volleyball, and P.T. He is also a member of the school choir. Ed is well-liked by all the teachers because his homework is always finished. In the future Ed plans to attend Teachers College.

IRENE WARKENTIN

Irene Warkentin, a friendly blue-eyed blonde comes to us from Haskett. This is her first year at Winkler High, and her two former years were spent at the M.C.I. Irene is a girl who usually has her homework done, and in class she is quiet and attentive. Drawing, baking, and watching T.V. are her favorite pastimes. Irene might enter Teachers College.

KEN WIEBE

Ken hails from Myrtle. During this last year of Ken's attendance in High School, Ken took part in curling and the building of stage properties for the drama. He is able to keep everyone around him laughing with his humorous singing and joking. His favourite subjects are Biology and Typing, however, he dislikes German and Chemistry.

Grade XII-G

ELSIE DYCK

Elsie is our capable yearbook and publicity convener. She has also had some valuable literary experiences in editing our school newspaper. Although she enjoys all her studies, she prefers History, Poetry, and Drama to the sciences. Music and painting are two arts which she pursues whenever she finds time for them. Reading, French, baking, babysitting, debating and choirs also fit into her schedule. In the future she plans to attend Bible School. Her ambition is "to press toward the mark for the prize of the high calling of God in Christ Jesus."

ESTHER DYCK

Esther's constant activity and her wide range of interests are an inspiration to her classmates. She is active in Drama Committee, French Club, I.S.C.F., church and school choirs, and Young People's. Her interests, to name a few, include languages, art, music, and reading particularly in the field of psychiatry and psychology. Her pre-eminent aptitude for writing poetry is apparent by her valuable contributions to the school paper. Nursing, specializing in psychiatry is her ambition; teaching — her second choice of vocation. A cherished dream of hers — to travel, see Italy and especially Venice.

JAYNE DYCK

Winkler is Jayne Dyck's hometown. Playing basketball, whether in the league or inter-room, gives her great pleasure. Outside of school she enjoys such activities as reading, singing, playing piano, and skating. Her friendly personality and consideration for others enables her to make new friends easily. Chemistry is her favorite subject. Her future ambition is to become a high school teacher. Therefore, she wants to attend teacher's college next year.

ANNE HIEBERT

Anne is a shy, friendly girl who lives near Hochfeld. She enjoys school and spends much time at her studies. Her high marks have won her the respect of the teachers and the admiration of all the students. Anne enjoys being a member of the Yearbook Committee, singing in the school choir, and participating in I.S.C.F. History and Chemistry are her favorite subjects and she looks forward to becoming a teacher.

DOUG NAUER

Doug is a tall, dark, handsome lad whose interests range from girls to puttering around on his '47 Chevy. He enjoys sports and is one of the top curlers in our school. He was one of our representatives in the Manitoba High School curling Bonspiel in Winnipeg. He also is a member and instructor of the Winkler Rifle Club. Doug is usually in a good mood — except when Drama and Poetry periods come around. His favourite subjects are Maths and Chemistry.

MARILYN SPENST

This attractive, fun-loving, and intelligent brunette comes to us from Rosengart. Marilyn favours Mathematics and Poetry. She also enjoys singing in the school choir. Her remarkable affinity for handsome boys sometimes results in unfinished homework but her natural intelligence enables her to get good marks. When one hears a low giggle and the expression "you're kidding", one knows that Marilyn is around.

MARIAN KLASSEN

Marian is a tiny girl of 5'¼". She was born in Winkler and went to Alberta at the age of eleven. She returned to Winkler to take her Grade X and has remained here since. She enjoys singing, reading, and travelling, and takes part in I.S.C.F. and choir. She prefers Maths to any of the other subjects, but finds German difficult. She is a very sensitive girl who likes to be pleasant at all times. She says she would like to take training in nursing.

MARION LOEWEN

Marion is interested in sports. She is very active and capable as a basketball player. Though she spends much time in reading, she also has other hobbies such as baking and oil painting. She is a member of the French club as well as of the church and school choirs. She considers English and Biology as her favorite subjects. We see in Marion a future nurse.

MRS. KATHERINE STOBBE

In combining the duties of housewife, mother, and student, Mrs. Stobbe finds life a rather busy affair, yet she never seems harassed or depressed. On the contrary, she is always ready to brighten class atmosphere with a pleasant word and to lend a helping hand or a word of advice to her less experienced classmates. Unconsciously, she diverts the attention of this young and inconsistent generation from their frivolous thoughts and concerns to look at the more serious side of life. She is an asset to our English and History classes.

LENA ANN ZACHARIAS

Lena Ann Zacharias, the tall girl with the big brown eyes, having taken most of her schooling in Reinland, came to join us this year to complete her high school education. She enjoys school, but as far as subjects go, she would prefer a day of Biology to a period of Maths. Among her hobbies are the pastimes of reading, sewing, and oil painting, all of which she enjoys more than milking cows. The future might see her as an office worker.

WARREN BROWNE

Warren spends quite a bit of his time in sports, his favorite being hockey. When he completes his grade this year, he will be one of the few who have taken all their grades in Winkler. Poetry is his best subject. When he is through school he plans to obtain his degree as a physical education instructor. His interests are many and varied, but lately his biggest interest has been in a Honda 300 motorcycle.

DENNIS BUECKERT

Dennis came to our school three years ago from Gnadenthal. He has taken his Grades X and XI in Winkler, and hopes to complete his grade XII next year. He has many interests, his favourites being curling, football, and fiddling around on his Honda 300. During class periods he is a relatively quiet fellow. He gets along quite well with most of the students and we are sure he'll be a success in life.

Grade XII-S

PETE GERBRANDT

Speedy is a tackle on our football team. He enjoys hockey, baseball, and various other sports. He dislikes Chemistry and Maths. He came from Chortitz to take his grade eleven and twelve here at Winkler High. Pete and his lunch kit arrive every morning on the school bus at precisely fifteen minutes to nine.

RON ENNS

Ron, who joined the W.C.I. last year, hails from Reinland. He despises homework but he manages to get it finished during study periods. His favorite sports are baseball and hockey. His interests range from driving his father's car to dating. His plans for the future are as yet not definite although he has been thinking of entering the teaching profession.

JACK FEHR

Jack, who comes from Osterwick, likes English. He is well behaved in class and will probably be the same after graduation. His favourite pastime is driving his motorcycle and his dad's car. In class he frequently is the object of practical jokes but he takes them with his usual good nature.

JOHN FRIESEN

John, the treasurer of our school, is only 15 years old. He comes to Winkler from the School District of Edward. Most of his spare time is spent at the curling rink. The subject which John excels in is Maths. John's future plans are to finish Grade XII and then continue on to University. John seems to be an industrious student.

MARILYN KLASSEN

Marilyn is one of the few girls who adds a feminine touch to the Physics room. Her friendly disposition has done much to cheer her classmates. She is kept busy by numerous activities such as orchestra, I.S.C.F., piano lessons, and church and school choirs. She also aids the school by being in the drama committee and by recording statistics at basketball games. Maths problems are most enjoyable for her but when it comes to Chemistry, she would rather take a break and go skating.

ALBERT KRAHN

Albert is one of the more restrained guys in school. He is not the one to be in trouble with the teachers. He hails from Osterwick, arriving in the Chevy bus every morning. His favourite subjects are Maths and Physics. Albert is one of the best sprinters and the top star of the Osterwick hockey team. His future plans are either going to Teachers College or taking a job.

ED LABUN

Ed is a tall, blond, amiable friend. He participates in many school activities including orchestra, basketball, I.S.C.F., and choir. He is also a member of the Social committee which has been responsible for our many fine parties. Ed plays the cello and enjoys most types of music. His interests diversify onto various topics which include sports, aviation, and cars. Ed's pet peeves are Chryslers (because they always beat his Merc).

PETER LABUN

Peter comes to us each morning from the Kronsart School District. In school he is a quiet, studious person who usually has his homework done. Among his chief interests are skiing, swimming, water skiing, choir, and orchestra. His immediate future is to attend the M.T.I. where he plans to take diesel mechanics.

IRENE LENZMANN

This friendly, fun-loving girl, who is originally from British Columbia has contributed a great deal to our Collegiate. During this school term she is serving as the I.S.C.F. President and as a member of the Choir Committee. Outside of school hours, she is kept busy with Church Choir, Young People's, piano teaching and with her own piano lessons. In spite of all her activities, she manages to achieve top marks in school. During the last summer, she was privileged in being sent to the Maritime Provinces on a Student Exchange Program. Next year she plans to attend Teachers College.

IRWIN DOELL

Irwin's witty remarks help keep the class in good spirit and the teachers in check. His noisiness indicates that school is not the most serious part of his life. Although a non-resident, he is spending his fourth year in Winkler Collegiate. Irwin enjoys Maths and driving car but decidedly dislikes English. However, the line from Shakespeare's sonnet, "The world is too much with us", has stuck with him. His main ambition looms ominously before him — obtaining fifty in June, since he plans to attend Teachers College next year.

JOHN WALKOF

John is a quiet, handsome lad who takes his school work seriously. He gets along with the teachers because he always has his homework done. In fact, everything he does is always done to the best of his ability. He enjoys sports and girls whenever they do not interfere with his assignments. His favourite sports are hockey, baseball, skiing, and ping pong.

HENRY DERKSEN

Henry comes to the W.C.I. from that wonderful village of Reinfeld. Most of his spare time is spent in hunting and reading. In school he excels in Physics, Guidance, and fighting but he finds some difficulties in English. His remarks often bring laughter from every corner of the classroom. If he can pass Grade XII in June, he plans to attend Teachers College.

DAVE PENNER

Although this handsome young man lives nearer to Morden than Winkler, he is true to Winkler. He is attending Winkler High for the third year having the most ingenious method of passing from one grade to another. Dave enjoys such activities as curling, hockey, baseball, and ping pong. Dave has no definite ambition but he will probably attend the University of Manitoba.

RICK WALL

Rick, is our busy, incomparable, "curly-locks," from Horndean. In sports, with an occasional few minutes squeezed in for school-work, Rick delights. He enjoys football and hockey most in the line of sports. He prefers Maths and Physics to the other, so he says — "boring subjects." His future ambition is to join the Air-Force and take specialized training in becoming a "pilot."

RON WIEBE

Ron Wiebe who comes to us from Reinfeld, is in his third year at Winkler High. Besides schoolwork, Ron enjoys hockey, football, and choir. Ron's favourite subject is Physics. Harsh threats from a certain lady teacher have helped Ron settle down in Composition periods. Ron's immediate aim is to study agriculture in university and someday to own a farm.

HENRY DYCK

Henry comes to us from a farm two miles south of town. He enjoys Physics and Maths. Henry is active in curling, basketball, skating, and watching television. Hockey games take up many of his evenings. In spite of his activities he manages to obtain passing marks in most of his subjects. In the future Henry intends to attend University in quest of a teacher's certificate.

LES DYCK

Les occupies the seat of honour at the front of the classroom. His extra-curricular activities include water-skiing, snow-skiing and driving Dad's Chrysler (dual exhaust), or his own antiquated '40 Dodge. At school he participates in choir, orchestra, I.S.C.F., and basketball. He holds the position as Vice-President of our Student Council, and Les plans to study Political Science or Law at the University next year.

Undergraduates *Grade XI-F*

DICK DERKSEN

Dick is an active lad who participates in all sports. He is an excellent football and basketball player, and is the holder of the 1964-65 Winkler Cross-Country Trophy. Besides these school sports he enjoys hunting during his spare time.

BILL DYCK

Bill has no favourite subject in school. He is keenly interested in sports such as basketball, track and field, and football. After school Bill likes to go hunting. He is a good swimmer and has passed the life saving course.

JOHN DYCK

John doesn't consider school the most important thing in his life. Although John is kept busy at the drugstore after four, he has plenty of time to get into trouble. John can hardly wait till summer when he can "tear around" on his Honda.

ELVINA DYCK

Elvina is the type of person who believes in getting things done properly. Because of this she scores above-average marks. At basketball games she is seen sitting at the score-keeper's table. Elvina plans to major in English after attending teacher's college.

MARVIN GIESBRECHT

Marvin is a handsome fellow. With the exception of Monday morning, he is always alert and ready for an argument. He enjoys sports like hockey or baseball but prefers golf. Maths and Chemistry are mysterious words for him.

MORLEY GUENTHER

Morley gives no teacher a minute's peace! He is always looking for an argument. He doesn't always complete his German assignments because he is figuring out a way to get Dad's car for Friday night. Even in this day and age of the Beatles, Morley is a Louis Armstrong fan!

KATHERINE KLASSEN

Kathy's favourite subjects are History and Algebra. She enjoys knitting and sewing. Kathy is one of the few who is fortunate enough to talk of travels. She has lived in Germany and South America. At present her home is Winnipeg.

EDYTHE KRAHN

Edythe is an active member of the 11-F class. She is the captain of our cheerleading squad, and shows great skill in doing the cartwheel. She is one of our top students. She is also kept busy making the yearbook a success. She is usually seen with a friendly grin on her face.

JANE ENNS

Jane is a brown, sometimes, red-haired lass. She likes music (playing piano), driving car, and reading fiction. She participates in church activities. Skating is her favourite pastime. Her pet peeve is not getting the car. Her goal is to become a nurse.

MARY FRIESEN

Mary enjoys reading and baking. In school she likes history and algebra. She sings in choirs in school and also out of school. Mary is a member of the "Merry Stitchers" 4-H Club and is the club secretary.

EVELYN KLASSEN

Evelyn, although she is quiet in the class, is usually interested in her schoolwork. Her pet peeve is History, but she enjoys sports, especially skating and badminton. On week ends she is found with the Plum Coulee gang.

RON KEHLER

Ron comes to us from Horndean with his dad's dependable Olds. He likes to sit in the back of the class and bother all the girls. His interests range from cars to motorcycles.

PENNY KROEKER

Penny is the blue-eyed blonde who adds prestige to the Grade eleven "F" class with her average of 93. Besides being first in Grade eleven, Penny delights in playing "left wing" for the basketball team. Last summer she successfully completed the test in life-saving and received a bronze medallion. Penny's ambition is to become a registered nurse.

JEANNE MARTINS

Jeanne is a tall slender girl in Grade XI. She has lovely big brown eyes and auburn hair. Her three major ambitions are: going to Hawaii, owning a Jaguar X-KE, and also a grey Persian kitten. Her most appreciated subject is "spare".

ART PENNER

Art doesn't always have time to finish his homework because he only has seven years to be a teen-ager. He enjoys drama, sports, singing, and especially girls. He is also our social representative. Because he often comes to school looking like "the last rose of summer", we wonder if maybe...

DAVE PENNER

Dave Penner does not take his school work very seriously although he gets along alright. He likes to tease the girls, but when the teacher looks up he is very innocent. He has learned the art of just barely getting away with his tricks, like playing chess during school time.

BETTY PETERS

This blonde haired, five foot girl loves to sing and accompany herself on the piano. She loves to take their "64 Ford" for a spin on Sunday afternoon. Her goal is to graduate at the "U" with a Home Economics degree.

DELORES PETERS

This brown-eyed brunette sits near the back of the classroom if possible. She detests history and algebra but likes Literature except for assignments. She plays centre for the basketball team. Her main ambition is to go into Nurses' Training at St. Boniface.

JAKE PETERS

Jake Peters comes to Winkler High from the Rosenbach area. A cloud of smoke, a grind of gears, then you know here comes Jake in his '55 Ford.

EDWARD SAWATZKY

Edward is a very industrious student and is also very active in sports. He excels in track, football, curling, and is a manager on the basketball team.

ELAINE WIELER

Elaine comes from Reinland. She is a good runner and enjoys sports like skating and baseball. Her favorite pastimes are playing piano, reading, and knitting. She dislikes Algebra and Physical Education. Elaine plans to go into Nurses' Training.

DAVE WOLFE

Seeing Dave in the morning you might think he's dead, but he's only sleeping. He is the XI-F sports representative. His chief delight is to fool the "cops". Every morning he rounds up the girls and drives them to school in his big Buick.

LLOYD DYCK

Lloyd is tall, dark and handsome. His marks are always high and his homework is always done. On the rifle range Lloyd is the man to beat with scores in the high nineties. As class woodsman he never fails to bag his deer or catch his limit of fish.

HENRY ENNS

In school Henry's quiet as a shadow
And almost as shy as a mouse.
Yet once you get to know him,
He's quite genial and likeable.
He's very conscientious in doing his homework.

JOYCE SUDERMAN

Her hobbies are reading and playing the piano. She thoroughly dislikes Maths. Among other things she enjoys watching basketball games, singing in choirs, tobogganing and skating.

EUGENE WIEBE

Eugene knows a lot about cars and spends much of his time reading magazines like 'Hot Rod.' He's a valuable player on our basketball team, because he's tough and usually gets the rebound. He's a whiz in sciences but in arts he'd rather play hookey.

DON BERGEN

Here's a lad of great potentials, but they have not yet been tapped. He is a quiet lad, perhaps due to the fact that he possesses the most cherished seat of all, the one in the front. He is a keen minded sportsman, being an active member of the hockey team.

ELFRIEDA BROWN

"Determination gets you everything," is one of Elf's mottos! She is usually running around in high gear and making the most of her twenty-four hours a day. Although she does not always pass her Maths., she makes up for it by doing artistry for posters and for the Year-book.

HENRY WOLFE

Henry is a tall and lanky fellow. Coming to school with the bus, he finds it hard to catch it in the morning. His interests range from hockey to T.V., his favourite program being Broadside!

Grade XI-J

HENRY FRIESEN

Henry who isn't the quietest guy in class by any means, does try to finish his homework and his studies. However his evenings are usually taken up by driving his dad's car to a "shred" or going "deer" hunting. His ambition is to be a druggist, but no matter what career he chooses he is sure to be successful.

JOHN FRIESEN

This short, stocky example of Charles Atlas comes to us from Chortitz. He enjoys playing baseball and other sports. His hobbies range from woodwork to tinkering with motors. His ambition is to become a mechanic at Dickson Motors.

ED FROESE

Ed is an industrious student. He works hard at his lessons and is always bright and cheerful in class. He enjoys tinkering with old cars and last summer he had fun wrecking a '46 Chevy. He is a true farm boy at heart.

CORNIE GIESBRECHT

That Corny Giesbrecht is quite the guy
Usually happy, never shy.
He enjoys string music the best, by far
And man, does he play that guitar.
Chemistry and Algebra he can easily swing,
But come Comp. and Lit., he is wishing
That the dinner bell would finally ring.

KEN GOERTZEN

Standing about 6'6", Ken is the tallest fellow in school. He is known as "Happy" to some for his energetic walk. He enjoys driving his Ford, "going for coffee," and "bugging" teachers. His future is undecided as yet, but he seems to enjoy Physics and Chemistry. "Hap" plans to complete his High School in as few years as possible.

ALBERT HAMM

Albert enjoys sports in general, such as hockey, football, and baseball. He is a witty fellow, with a joke on any occasion. He is found at the skating rink almost every night. He is one of the few who has a distaste for all the subjects, except Chemistry.

SAM JANZEN

Sam hails from the village of Reinland. He is a very capable president of the Reinland 4-H Beet Club. His hobbies include driving Honda, coin collecting, building model cars, and reading. He participates in high school curling, drama, and choir. Sam enjoys Maths, Chemistry, and Physics.

DAVID KIRK

Above everything else, David likes to travel. He has hitch-hiked all the way to British Columbia and he plans his next trip when the school term begins. David is a good student and he finds no subject difficult. He has great writing and speech-making abilities.

ELAINE KROEKER

Elaine takes part in many activities. Her homework is usually done on time (and no sooner). She attends basketball games and enjoys them greatly. Some of her other activities include piano, I.S.C.F. and orchestra.

JACOB LOEWEN

Jacob is a quiet fun loving fellow. He is a great hockey fan. His favourite sports are hunting and fishing. Jacob is a very industrious student and his home work is never left unfinished. His marks are usually among the highest in class. His favourite subject is Algebra.

JAKE HAMM

Jake, never seems to study or listen to the teacher, however, he seems to get his homework done! Surprisingly, too is the fact that Jake usually has the top marks in his class. Besides being first in class; he is also the noisiest boy in class!

DENNIS HIEBERT

Dennis, whom most of us know, is a humorous fellow and when he agrees with something, he simply says, "Tick". His favorite subjects are Physics and Comp., but warmer weather brings something which lures him away, namely driving Honda.

HENRY KIRK

Henry is a handsome lad, friendly, and easy to get along with, but he doesn't like to be pushed around. He favours sports especially football, baseball, and skating. He is peeved at homework especially when the "Royals" are playing a home game.

LUCILLE KROEKER

Lucy is a very active person. Her homework is always done promptly, and as a result, she gets very good marks in school. She attends I.S.C.F., Young People's, and Choir practice. Violin is her favourite instrument which she plays skillfully, being one of the leading violinists in the school orchestra.

LOIS OLFERT

Lois is a cheerful girl from Meath. She enjoys school and actively participates in baseball, volleyball and I.S.C.F. Her favourite subjects are Chemistry and Physics. In her spare time she does a lot of reading, writing letters and stories.

FRANK PENNER

Frank is a quiet lad who finds Physics rather amusing and quite naturally scores his highest mark in the subject. At home he enjoys tinkering with motors, and, Frank's pet peeve is Literature.

VICTOR PAULS

Some of his favourite sports are volleyball and football. He enjoys Physics but doesn't especially like Geometry. Reading story books isn't one of his favourite pastimes but an occasional mystery story does meet his taste.

HAROLD PETERS

He enjoys sports such as baseball and football. Fall finds him out hunting and after snowfall he accepts the slopes as a challenge for skis. Interests in school include drama, choir, playing chess and asking the teacher questions in German class.

JOHN PETERS

John is a boisterous young fellow who can often be seen jostling with other boys. In summer he does a lot of hunting and fishing. In winter he can be found at the arena almost every evening where he attends the Junior Rifle Club, and hockey games.

RANDY RIETZE

Randy, is our ardent hockey player for the Winkler Royals. He also enjoys other sports such as football and baseball. Randy's pet peeve is doing homework on a nice summer evening. He's a great guy for fights in the corridor with any of the guys!

EDWIN SAWATSKY

Commonly called "Swansea" by his associates, this guy has many interests. He is currently skipping his curling team to victory? At the same time he is managing the basketball team and doing exceptional work. He likes money, weight-lifting, wrestling, and Dad's Chrysler.

BARBARA THIESSEN

When you hear a cheery Hi!
And a friendly word for you,
You can be sure that Barb's in school,
And she's come to learn something new
Either in physics or in basketball,
We are not sure which it is at all.

JOHN DYCK

John is a diligent worker. Although he is frequently quiet and seems to be thinking deeply, he will usually manage to think of a joke at just the suitable time. John's hobbies and occupations range from being a very efficient baby-sitter to overhauling machinery for his father.

VICTOR EPP

Vic is a tall guy and it is not surprising that he plays on our basketball team. He likes to fight especially when he isn't supposed to. He has also been chosen to play the leading role in this year's drama, "Uncle Tom's Cabin."

GRACE ZACHARIAS

Grace is in the physics class,
Because there's no exam. that she can't pass;
She is a rather pretty looking girl,
And in her hair there is many a curl;
In school she has numerous friends,
With whom she often her spare time spends.

BILL THIESSEN

Bill is a farm boy. He does the chores from day to day without complaining much. At school he is rather quiet. He has high intentions of making his grade eleven in one year and so he does his homework most of the time.

HENRY THIESSEN

Henry is a handsome lad with curly brown hair. His favourite subjects are Algebra and the sciences. He finds it difficult to get his Literature assignments in on time. Henry comes to school by bus from Hochfeld. He likes singing in the school choir as well as in the church choir. He plans to enter the teaching profession.

CHESTER DYCK

Chester consistently has his homework done. Listening to radio, reading, and driving his Honda are a few of the many things he enjoys. Physics and Composition appeal to him. He is a member of I.S.C.F., choir, drama, and orchestra. He hopes to become a teacher someday.

PETE DERKSEN

Pete is a fine, good-lookin' chap who is well-liked by his classmates. In the line of sports he enjoys hunting, skating and dating (if you can call that a sport.) In class Pete loves to get up Miss Graffin's Irish until she exclaims indignantly, "Pete, if you won't stop that I'll - -"

Grade XI-W

DAVID DUECK

Dave can be found in the XI-W classroom. His favourite subject is History and the one he dislikes most is Chemistry. He plays baseball, football and hockey. A strange characteristic of his is that he dislikes teachers but loves girls.

SHARON DUECK

Sharon is an industrious student. Typing and Literature are the school subjects she likes most, and German is the subject she dislikes. Her favourite sports, outside of school activities, are skating, playing croquet, badminton, and tennis.

CHRIS BOSCHMANN

Chris is a blue-eyed girl who likes school. Some of her interests are: baby sitting, watching television, playing Elvis Presley records and going to basketball games. Chris sings in the school choir and goes to the I.S.C.F. sessions regularly. She enjoys typing and wants to go into secretarial work.

Grade X-F

MARGARET BARTSCH

Marge is taking her first year at Winkler after completing her grade nine correspondence at Reinfeld. She is one of the quieter girls in class, but always has her work done. Her easiest subjects are Algebra and German. Her great ambition is to become a doctor.

BARBARA DYCK

Barb's the girl who's not too short
And doesn't indulge too much in sport.
You can often hear her laugh
When there's a joke being told in class;
There's always a smile, never a frown,
And then you know that she's around.

GARY DYCK

"Dickie," the big, strong farm boy is not worried about marks. Even extra classes fail to dampen his spirits. In his spare time he enjoys working on his father's farm, or driving his Honda.

RON DYCK

Ron is a fairly smart lad. His favourite hobbies are making models, sports, hunting, and fishing. In school he dislikes German and Composition. His delights are Typing and P.E.

ROSALIE DYCK

Rosalie, hailing from Burwalde, is one of the quieter girls in class, but always obtains high marks in her exams. Her favourite subjects are Typing, Literature and Algebra. Her ambition is to graduate from high school and enter nurses' training.

MELVIN ELIAS

Melvin is the kind of fellow,
Who's always tough and always yellow,
His school books are always neat,
To the girls he's short but sweet;
Toys he always has lying around,
His famous "bark", is a well-known sound.

RODNEY ENNS

Rod is a big Beatle fan
He's not an algebra or geometry man
He likes curling and "Peyton Place"
And walks with swinging grace
He likes to write to the M.C.I.
And nearly everyone knows why.

GERALD FALK

Gerald is a smallish fellow,
Always brave and never yellow,
He wears a smile from ear to ear
Which seems to say "Look I'm here"
If ever you should pass him by
Always say a friendly "Hi".

MARILYN FEHR

Marilyn is a pretty, blue-eyed blonde. Geometry and typing she enjoys, but not Literature and Algebra. She does not let school work bother her much although she usually manages to obtain passing marks.

MARY FROESE

Mary is our red-headed lassie,
Medium height and rather classy,
Nutty guys are her pet peeve,
School she cannot afford to leave,
Pretty clothes — she adores,
Algebra and Geometry — she abhors.

SHELDON FRIESEN

Sheldon is industrious and a whiz at school work. He strives for top marks and usually gets them. He likes all the subjects on the course, but favors Science. Sheldon's future is not quite decided, but it will be either one of the Sciences or Engineering.

FLOYD FUNK

Although Floyd excels in any sport,
A girl he will seldom court,
In tumbling he is his class's best,
During school time he loves to rest.

HILDA HAMM

Hilda is a quiet lass
Industrious in every class,
Her work is always neatly done,
Her handwriting is number one.
She finds school a lot of fun
But skating and dating, she'll not shun.

ELVERA JANZEN

 In babysitting she does fine.

JUDY HIEBERT

Judy is a girl with big blue eyes,
 Her silence indicates she is wise.
 She loves to get in the teacher's hair
 Her lunch and snacks she'll always share.
 She is popular in the 10Z class,
 Her final exams she'll surely pass.

HOWARD HILDEBRAND

Howard is a tall, good looking boy in Hut Z. He is
 an ardent hockey fan, and indulges in the sport, among
 many others. When he's got some trick up his sleeve,
 you can usually tell by his wicked smile and droopy eyes.

DON KLASSEN

Don, is a fair headed guy
Who has his marks far up high.
Student Council meeting he will attend
And cards around the room he will send.
His favourite subject is typing
But gas out of cars he will not siphon.
German he detests
Although his marks in it shine best.

JOHN KLASSEN

John is an ambitious lad,
Who thinks typing is not too bad.
But when it comes to Composition and Math.,
John boils over in foaming wrath.
John works at a drug store after four,
But in between periods he's never a bore.

KATHERINE KLASSEN

Katherine is a girl full of fun,
When it comes to homework, it's always done.
She comes to Winkler from Blumenfeld on the bus,
And there makes it enjoyable for all of us.
Algebra is a subject she detests
But typing is her favourite, she must confess.

ANNETTE LETKEMAN

A pretty girl, by the name of Annette
Has hair the color of brunette.
During P.T. the shotput she is hurling,
Says she likes being "Skip" in curling.
She likes playing basketball and skating,
While in school, German she is hating.

LOREEN LOEWEN

"Lou" is a girl well liked
By all the kids in school,
She loves to type and talk about boys,
So you can see she is no fool.
At hockey games you'll hear her cheer
When the home team scores a goal.
You'll see her at basketball games,
Taking in the game, heart and soul.

MARVIN LOEWEN

Marvin is a dark-haired guy who isn't always as
innocent as it seems. He abhors German, but really goes
for Science. He participates in Choir, I.S.C.F., and
Yearbook Committee.

RUTH NIKKEL

Ruth is a blonde, pretty lass
Whose main interest lies in a Grade XI class.

HAROLD DYCK

Harold Dyck is about five feet tall
Which everybody thinks is quite small.
He wants to become a naturalist
And acts very much like an egotist.

RANDY DYCK

R is for Randy
Big and robust,
Boy what a dandy
Can he raise some dust.

BOB ELIAS

It isn't by size that you win or fail
So Bob proves to us each day
His thought he expresses, they don't become stalled
He answers without much delay.

JOHN FEHR

John who is a dark-haired lad
Is sometimes good and sometimes bad.
Hockey seems to be his only delight,
And sometimes with me he tries to fight.

Margaret Fehr, a charming miss
During P.T. she's filled with bliss
Tumbling, running and jumping too
Margaret, P.T. was made for you.

VERNA FRIESEN

Her homework is nearly always done
Teasing others she finds fun
You see she is the fun-loving sort
But a true friend and a good sport.

JOHN FROESE

John hails from Reinfeld Square,
At doing homework he is fair,
Sports and girls are along his line,
And as a student he does fine.

CATHERINE FROESE

High I.Q. and musical
"Kaddy's" quite a gal.
Always in somebody's hair
'Cause she isn't lacking there.

TINA FROESE

Tina Froese is a lovely lass
She resides in 1B class
A friendly girl with a pleasing smile
In our hearts she will stay awhile.

**GERALD GERBRAND**

"Gerbie," is a husky lad,
He's usually good and seldom bad,
Dating is not along his line,
But he does his paper route fine!

**LEONARD HARMS**

Leo Harms, a cheerful lad
Likes to be heard in the class
Whenever you pass him
He's sure to smile and say "Hi"

**NELLIE HIEBERT**

If you hear a cheery "Hi"
And a little giggle too
You might know that it is Nellie
With a friendly word for you.

**GEORGE HILDEBRAND**

George is somewhat small,
And likes hockey best of all,
And being a handsome young man,
Helps him to be a hockey fan.

**JUDY HILDEBRAND**

 Mastery at Phys. Ed. she's reaching
 Piano is along her line
 And in her work she's doing fine.

**HAROLD REIMER**

Harold is a handsome lad
 Hockey is his latest fad
 Homework he will utterly detest
 At dating girls he's the best.

**DARYL RIETZE**

Top in class,
 What a lass,
 Always wearing a beautiful smile,
 Always going the extra mile.

**CHRISTINE SAWATSKY**

Christine is a charming miss
 And sometimes writes her name as Kris,
 But when the boys come to call her
 She wishes she were four inches taller.

**PETER THIESSEN**

Peter, who is a dark-haired lad,
 Is always happy and seldom sad.
 Basketball and hockey are his delight,
 And he finishes his homework every night.

**ABE UNGER**

Abe as probably you have heard,
 Thinks that schoolwork is for the birds,
 Hockey and baseball are along his line,
 And in schoolwork he does fine.

**DONALD WIEBE**

Donald, Donald is not a hick
He wants a vette with a four speed stick.
Ask him a question of a car
And the answer will not be far.

MARGE WIEBE

Marge Wiebe, a girl with blue eyes,
Often finds her mind with the skies.
Dating and watching T.V. are along her line
In History and Literature she's doing fine.

**MARY LOU ZACHARIAS**

Mary Lou is really sweet
In running she is hard to beat,
Always quiet, always nice,
To life she adds that extra spice.

JIM BERGEN

Jim Bergen thinks he's charming,
But to the girls he's quite alarming,
Because he is older than most
He thinks it's his duty to boast.

Grade IX-3C

**ARTHUR BRAUN**

Arthur Braun who's he
He's only the brain of 3C.
He courts the girls and catches the flies,
But there's one thing more, he's a real nice guy.

**PETER DEFEHR**

Pete is a lad with light brown hair.
About his schoolwork he doesn't care.
When playing hockey he'll skate and leap,
In his spare he'll fall asleep.

LAVERNE J. DERKSEN

Laverne is a friendly lad,
Always cheerful, never sad,
Swimming and hunting are his joys,
Especially if he does them with other boys.

**SHIRLEY DERKSEN**

Shirley, one of the cutest girls in class,
Seldom sits and lets time pass.
History she detests with all her might;
Staying out late is her delight.

LINDA DUECK

Linda's always ready with a smile;
Boys and skating are her style.
She is always full of fun,
And gives a lot of laughs to everyone.

DOROTHY DYCK

Dorothy is a friendly lass;
Never studies hard in class,
Skating, giggling and making noise
Are some of the things that she enjoys.

DOUG DYCK

Who excels in hockey and other sports?
A boy who never will comport.
It's Doug who is very handsome and loud,
Of him we in 3C are very proud!

ESTHER DYCK

Sitting at the head of our class
You find Esther, a pretty lass.
Though she is a little tall
Don't worry, the boys don't mind at all.

ROBERT DYCK

Robert is a quiet lad;
At school he is never sad.
His occupation he does not know,
Perhaps to college he will go.

JAKE FALK

Jake Falk is a brilliant lad,
But when work comes he is very sad.
On mornings he is often lazy,
But over some girls he goes "crazy".

SHIRLEY FEHR

Shirley the blonde of 3C
With boys she will often be;
Maths and Comp. she abhors,
But to go out Saturday night she adores.

MARGE GERBRAND

Quiet and industrious, that's our Marge,
She speaks from a fund of thought;
My description I need not further enlarge,
What we lack in knowledge, she's got.

JOHN GOERTZEN

John is quiet, clever, too;
He isn't impressive in size,
But like him there are people few
Whose aim is to get wise.

ANITA HAMM

Anita, with the light-coloured hair,
About school she doesn't give a care.
Her homework she usually has done
So she can go and chew her gum.

DON HIEBERT

Don is the name of this young man,
In winter he's a skating fan.
In summer swimming is his favourite sport,
On Pembina Avenue he has his resort.

**BERT HILDEBRAND**

Bert's the guy in 3C
 Quiet and smart as can be,
 He's never noisy and acting cockey,
 But he'll give up work to play hockey!

MARTHA KLASSEN

This is our giggly, bouncy girl
 Who keeps our classroom in a whirl;
 Laughing, giggling and talking to boys
 Are some things that she enjoys.

**PETER KLASSEN**

Peter is by no means a fake,
 He will almost anything undertake.
 You see he has a large determination
 Farming he'd like for an occupation.

GLORIA KRAHN

Beauty and brains superbly combined,
 Full of energy, clever and quite refined,
 Gloria Krahn is 3C's pride and joy
 And as you know, she isn't at all coy.

**HELEN KROECKER**

Helen is gay and full of life
 Her fight with Maths is quite a strife.
 Her skill at piano is hard to beat,
 Here's a girl you'd like to meet.

ROSELLA KUHL

Rosella is a pretty lass,
 A cheery "Hi" to all she'll pass,
 While History she finds a bore,
 Volleyball she will adore.

**HENRY NEUFELD**

Henry is hard to analyze
 One teacher often calls him "Jim"
 A typical boy, he must like pies
 And in summer he likes to swim.

MARG PENNER

In our midst we have a lass
 Who is the most talkative of the class;
 Commonly known as our dear "Marg"
 She sure gives the guys a big charge!

**KEN PETERS**

Ken is a light-haired lad
 Who is always neatly clad.
 In school he's slightly shy,
 When the girls see him, they always say "Hi".

EDNA SCHRITT

Edna is a bonnie girl,
 With pretty eyes of blue.
 Algebra is troubling her,
 But to Literature she is true.

**KEN THIESSEN**

Ken is a quiet lad,
 Always happy, never sad;
 Watching T.V. is his delight,
 The girls he always tries to excite.

**HARRY TOEWS**

Harry is a happy lad
 Whom you never see looking sad;
 He loves staring at beautiful lasses,
 But detests boring classes.

**JUDITH WALL**

She is the smallest girl in class,
 Although she is a friendly chubby lass.
 Her ambition is to pass her grade
 Her homework is never delayed.

**JOHN WIEBE**

John is a tall young lad
 Who in school is always glad
 In sports he does excel
 In his homework he does swell.

**RICHARD WIEBE**

Richard, who likes to ride horses
 Finds, unfortunately, that there are no courses
 In school work he finds no joy
 With girls he is not coy.

**ERNEST WIELER**

Our good friend Ernie Wieler
 Is somewhat of a "thumb tweedler"
 In football he does excel
 For that reason we all like him well.

**EVELYN WIELER**

Evelyn is always one big smile
 Her homework is usually one big pile
 Volleyball's along her line,
 Everything she does is just fine.

**CAROLYN BRAUN**

Attending our new Garden Valley School
 Is a girl who obeys every rule.
 Very quiet and reserved is she
 You'll like her — just wait and see.

**ERNA DOELL**

Erna is a quiet gal
 Girls consider her quite a pal
 Her long, blond hair is beautiful to see
 A great success in life she'll be.

Grade IX-4D

ERNEST DOERKSEN

Ernie is just as handsome as he is tall
He enjoys sports, especially basketball;
His ambition is unknown
But to girls he speaks in a fancy tone.

AGATHA DYCK

A dark-haired lass from south of here,
Agatha gives us quite a cheer;
Always happy, never sad,
She isn't very often bad.

JOY DYCK

Quiet, lonely, gentle, kind
A sweeter girl you cannot find.
Her homework usually is done,
High marks is her bit of fun.

NETTIE DYCK

Giggling, laughing all the day,
Always wants to have her way (or say).
Nettie's really quite a gal,
Really cuckoo for a pal.

VIVIAN DYCK

Vivacious Viv, she's short and sweet
There's a cheerful "Hi!" for those she'll meet
Skating and basketball are her delight
And with the boys she likes to fight.

RICHARD ENNS

Richard, Richard, quite a guy
Never, never leaves your eye
Big and stout, chubby and round.
Don't pick or you'll lie on the ground.

RUTH ENNS

Rosy-cheeked and tall,
Ruth's not bad at all;
Loves to read a book,
In a cosy nook.

CAROL FRIESEN

Carol dwells in IX-4D
As happy and contented as she can be;
Working during the day, dreaming during the
night
Aiming for perfection with all her might.

CARRY FROESE

Our girls are known for their beauty
And Carry is no exception
She still tries to do her duty
Although she's not reached perfection.

JAKE FROESE

Swamped by brothers and blisters,
Jake thinks he has three sisters;
He loves to go swimming like fishes,
Which is just as he wishes.

**RICHARD HAMM**

Richard is a noisy chap,
Always encountering a mishap,
"Schinky" is his cute nick name,
Which has won him tremendous fame.

CORNIE HEINRICHS

Slow as a snail, sharp as a knife
This is what you call Cornie's life,
Aeroplanes soaring is Cornie's fad
The kind of thing that gets teachers mad.

**DENNIS HILDEBRAND**

Dennis claims his hobby is "sleep".
But at hockey he liked to excel
So we know when he's not counting sheep
He's playing his favourite game quite well.

SYLVIA HILDEBRAND

Sylvia is a gentle lass
You can be sure that she'll pass,
She won't associate with boys
And she won't make very much noise.

**BRIAN KIELBACK**

Hockey is the sport for Brian
He will never give up trying,
Although he does not like this school
To him the teachers seem to rule.

KEN KIRK

A little nuisance in grade nine,
Talks back to teachers all the time;
Makes speeches on this "lousy school"
And won't associate with girls as a rule.

**EDWIN KRAHN**

Edwin is a cheerful guy
Always greets you with a great big "Hi!"
He always gets his schoolwork done
And then has lots of time for fun.

MURRAY KROEKER

The roar of the engine
The heat of the flames,
Being top fuel eliminator
Is one of Murray's aims.

**GEORGE MARTENS**

George sits quietly at his desk
Working as hard as all the rest;
We don't know what his future will be,
We'll just have to wait and see.

LINDA NEUFELD

Linda is a pretty gal
Really great for a pal
Dating is really in her line
Boys say she's really fine.

**MARY-ANN NICKEL**

Shy and quiet Mary-Ann
Has a smile for everyone.
Brown hair, glasses, stately gait,
With boys she won't associate.

**ESTHER PENNER**

Black, shining hair
Blue eyes so keen,
Esthers no square
Like some other teen.

**JAKE PETERS**

Jake is a noisy lad
He will always make the teachers mad;
Laughing and smiling is his cup of tea
As happy as anyone could ever be.

**HELEN SUDERMAN**

Helen is a sturdy lass
Never, never late for class
Hair is always neatly in place
She also has a lovely face.

**ELSIE THIESSEN**

E is for Elsie,
Quiet and trim,
Blonde hair quite wavy
And brains not so dim.

**HILDA THIESSEN**

Hilda is scared of most teachers,
She thinks they sound like preachers.
Sometimes gay, and sometimes sad,
She always thinks of something bad.

**BILL UNRAU**

Bill is another
Of our faithful clan,
Quiet but clever
He'll make a fine man.

**ELMA WALL**

Elma is a happy lass
She usually giggles in class.
Homework sometimes is not done,
She really is a lot of fun.

**PETE WALL**

Pete Wall is a quaint old chap,
He'll never have his homework done;
He works three weeks on a history map,
He's always having loads of fun.

**KEN WARKENTIN**

Ken is an active lad,
Rain or shine, he is never sad;
He is in almost every sport,
Without him we'd be kind of short.

**MENNO WIELER**

Menno claims hockey for his best sport
 He's always ready with a quick retort,
 When others want to work at school
 He's doing his best the teacher to fool.

DOREEN ZACHARIAS

Shy, timid, little Doreen
 But in school work, she's really keen
 Never concerned about having boys on the hook,
 Doreen's contented with just a book.

**RICHARD BUECKERT**

The smell of rubber, the taste of dust,
 The motto of Rick is "win or bust"
 The power behind Rick's 409,
 Makes his dragster really sublime.

Grade IX-2H

**RAYMOND DUECK**

Raymond is a quiet "guy"
 And never have I seen him cry
 His favourite hobby is staying home
 And for this he is well known.

SUSAN DOERKSEN

Susan likes to go on dates,
 History she surely hates,
 Though Rock-n-Roll is in her line,
 Her Maths is always done on time.

**EVELYN DYCK**

Evelyn is a friendly gal
 And everyone wants to be her pal
 She came to school just this past year
 And likes to call her boyfriend "dear".

HELEN DOELL

Helen is a blonde-haired lass
 Who gets bored in German class;
 Every skating night she'll be there
 No matter if it's cold, sunny or fair.

**ROSE-MARIE ENNS**

With cheery smiles and friendly "Hi's"
 In walks the girl with big blue eyes
 She loves to box and fight with boys
 Skating and dating are her greatest joys.

JAKE FRIESEN

We know a guy named Jake,
 Who thinks that school is all a fake;
 But when we're doing Science for his sake
 He'd sooner sit and take a break.

**SANDRA FUNK**

Sandra is a giggly gal
 Who seems to be everyone's pal;
 In English she's a whiz,
 But German she'd like to miss.

**REGGIE MILLER**

Reggie is a laughing lad,
 His say to things he often adds;
 He is the smallest in the class
 His exams he hopes to pass.

**LEONARD NEUFELD**

Leonard is a quiet guy
 To school he wishes he could say good-bye
 He likes to shoot with guns and things
 But joy he always brings.

**HOWARD PENNER**

Howard Penner from Sperling hails
 In his Maths he seldom fails
 "Golly Gee" he loves to say
 And hopes to be a farmer in a future day.

**ABE TOEWS**

Abe is a tall fellow,
 About work he will not "bellow."
 He has been in school almost everyday,
 When break comes he'll say hurray!

**HARRY THIESSEN**

Harry is a noisy guy
 To German he'd like to say good-bye
 He likes to bother every gal
 Especially Rose who is his pal.

**TINA NEUFELD**

She goes to work with a will,
 And of laughter takes her fill,
 She tries not to miss the bus,
 Since that would create a big fuss!

**VIOLA BRAUN**

Viola is a lovely dark-haired lass
 It is her aim Grade IX to pass
 In sports she really does excel
 But in Maths she also does quite well.

**DENNIS BROWN**

Always quiet, never a menace
 That's our one and only Dennis
 His future is as yet obscure
 But a schoolteacher's lot he'll not endure.

The Student Council has its regular meetings every Wednesday noon-hour. After the minutes have been read and approved the work begins. The topics are thoroughly discussed and then voted on to see whether they will be approved. Everybody does not always agree on certain things but when they all put their ideas together the Council usually comes up with a solution.

The Student Council tries to work for all the students in the Student Body. The annual school tour was again organized by the Council. Other projects included the magazine sales and the purchase of school jackets. A Constitution was also drawn up for future Student Councils to follow. Various sports activities are also supported by Student Council. Basketball, curling and track and field are just a few of the sports which the Council has supported this year.

Mr. Thiessen, the staff adviser, attends all the Council meetings. His views and opinions are always helpful when the Council faces a tough problem.

The Student Council is a very capable group and would welcome any suggestions which the students may have.

Staff Advisers — Mr. Frank Brown, Mrs. T. Kehler, Mr. J. F. Wiebe.

"Some people fail because they never begin; more people fail because they never finish — Stick-to-it-iveness wins oftener than genius or luck." It is this quality of "Stick-to-it-iveness," which, more than anything else, has caused this Yearbook to be a success. As editor, I would like to express my sincere thanks to all who contributed both time and energy to the preparation of the 1964-65 Collegian. Especially would I like to thank those who without complaint have worked many long hours at the countless mediocre tasks which always accompany such a project. It is through these faithful individuals that the distinctive trait of "Stick-to-it-iveness," always shines the brightest. Special thanks go to Mr. George Sawatzky for his photog-

raphy; to our artist, Elfrieda Brown; to the staff advisers for their invaluable assistance and direction; to the advertisers without whose financial support this Yearbook would not have been possible. Besides preparing this Yearbook, the committee has also published several issues of "The Blue and White Beacon." Many hours have also gone into the construction of a huge billboard of the 1963-64 students of the Winkler Collegiate.

We hope that these projects and your Collegian will help to bring back many happy recollections of by-gone school-days!

Literary and Drama Committee

Another successful drama was staged this year. The High School students, directed by two able teachers, Miss Graffin and Mr. Janzen, performed the six act drama "Uncle Tom's Cabin." The drama centres around the negro slave, Uncle Tom, who is forever changing masters. His first master was Mr. Shelby. Among his masters there is a Mr. St. Claire, who is very kind to him but on the other hand there is another master Mr. Simon Legree who is very wicked. As Uncle Tom is dying, his first master, Mr. Shelby, returns, but it is too late.

The characters in the play were; Uncle Tom, Vic Epp; his first master Mr. Shelby, Henry Kirk; a negro George Harris, Peter Labun; his wife Eliza, Janice Friesen; St. Claire, Don Elias; Marie, his wife, Esther Ens; Eva their daughter, Linda Neufeld; Ophelia, Esther Dyck; the impish Topsy, Gloria Krahm; the wicked Legree, Keith Wiebe; the Quaker Phineas Fletcher, Art Penner; Cloe, Marilyn Klassen; Gumption Cute, David Kirk; the Deacon who wishes to marry Ophelia, Peter Dyck; Mr. Wilson, Sam Janzen; Haley a trader, Chester Dyck; a negro, Cassey, Beverly Neista-

ter; Tom Loker, Pete Doerkson; Marks, Harold Peters; Sambo, Marvin Giesbrecht; Quimbo, Pete Gerbrand; and Emmeline, Sharon Hildebrand.

Mrs. Kehler was in charge of the stage properties. Mrs. Pauls once again aided in the painting. We feel these people did an excellent job.

The drama was presented four times. There were two matinee's and two evening performances which were staged February 11 and 12. About \$825 was collected and after expenses were paid, a profit of approximately \$375 remained. We, as a drama committee feel that the drama was a success.

During the afternoon of Thursday, April 15, a Literary Program was staged for the entire student body. Some of the items on the program were a monologue by Vic Epp, a guitar solo by Mr. Siemens and a student Council report by the president, Ron Ginter. The Gr. IX choir under the direction of Mr. Janzen rendered a few numbers. Irene Lenzmann also gave an illustrated report of her trip to Halifax last summer. This program ended our second school term.

Social Committee

"Are all the committee members here? Well, Agnes, you should have made it your business personally to notify all the members that we were having a meeting today."

That is how Mr. Siemens usually opened our informal social committee meetings when certain members failed to turn up.

The Hallowe'en Party was the first organized school social sponsored by the social committee. The programme with Clarence Kroeker and Vic Epp as chairmen consisted of musical selections, a film concerning "Abbot and Costello," and of course the initiation of all the Grade IX's, as well as the new teachers. The greatest laugh of the evening was Miss Graffin, in her tight skirt, trying to push a peanut across the stage with her tiny nose. Lunch, consisting of Spanish Nips, Pizza, and refreshments, ended the delightful evening.

On December 11, the Social Committee sponsored the Christmas Party. After the "Carol Service," in the Mennonite Brethren Church, the students came to the school auditorium to exchange gifts and cards, and to indulge in the delicious food.

On behalf of all the members, I would like to express our appreciation to the Student Body, for their co-operation in helping to make our parties as successful as they were.

ISCF EXECUTIVE

Standing: Marvin Loewen, Book Secretary; Gloria Krahn, Social Convener; Betty Goertzen, Publicity; Elaine Kroeker, Prayer and Devotional Secretary; Don Bergen, Missionary Secretary. Seated: Betty Brandt, Secretary; Don Kroeker, Sponsor; Irene Lenzmann, President; Peter Dyck, Vice-President.

The Inter-School Christian Fellowship is an organization which operates in many high schools. Any high school student is always welcome to attend our activities.

Our club meets every Tuesday noon in the Grade IX building. The prayer meetings which we have every Monday and Friday at 8:30 a.m., have been a great source of strength to our club. The average attendance at our weekly meetings was 80 and the average attendance at our prayer meetings was 12.

We began the year with a party at Don Kroeker's farm. We entitled the evening "The Pirates Hootenanny." Following this we had Bible Studies, speakers, panel discussions and films. One of the major topics we discussed for several months was "Consistent Christianity." Sub-topics were "The Christian's Liberty", "The Christian and Politics", "The Christian in War", "The Christian's Entertainment" and "The Christian and Dating."

We also had a "Kielke Fest" in March which was our second term party. At the present we are making plans for a Spring Banquet as well as a Spring Conference.

Our Sponsor Mr. Don Kroeker and our staff adviser, Mr. Blake Herman, have done much to make our ISCF year a success.

Thanks are extended to all those who also contributed to make ISCF a success this year.

The Winkler Collegiate Senior Choir is organized every year for the purpose of providing its students with an outlet for self-expression and service through the medium of singing. Membership of the choir this year has numbered one hundred and thirty-five, all being volunteers from grades X to XII. The school's policy allows anyone to join provided he is interested in singing and willing to sacrifice some of his own time because most of the rehearsals are held during the noon hours.

This has been another busy year for the choir. There were two major assignments before Christmas—The M. B. Youth Conference and the Christmas Carol Service. After the New Year, the choir performed on three different occasions, namely; at the Winnipeg Festival, at the Southern Manitoba Music Festival and the annual spring concert in May. Students have enjoyed the choral work under the direction of Mr. Henry T. Thiessen. The pianist for the choir was Frances Elias, a grade XII student.

On behalf of the conductor and the Choir Committee, I wish to commend the students for their enthusiastic participation and splendid co-operation in all choir assignments. This has made my work as convener easy and enjoyable.

JAYNE DYCK, Convener.

Standing left to right: Ed Labun, Mr. Alan Janzen, Staff Adviser; Lucille Kroeker, Elvina Dyck, Peter Dyck, Convener.

Orchestra Committee

"Tune up, basketballs away, we're five minutes late already"—this is the cheery voice that greets us every Tuesday and Mr. Janzen calls his obedient orchestra members to attention. The practice then begins with the painful tuning of the string instruments.

The orchestra began its season in October and with the exceptions of holidays and exams we had practices every Tuesday night at 7:45. At present we are practicing several selections for the festival and later on we are anticipating a spring concert together with the choir. We, as orchestra members, had the privilege this past year of performing at several Parent Teachers Association meetings and church services.

On behalf of the orchestra I would like to thank Mr. Janzen for the patience that he has shown us, and for the instruction which he gave us.

PETER DYCK

Sports Committee

Standing left to right: Dick Derksen, Convener; George Dyck, Ross Browne, Walter Labun, Douglas Dyck, Harold Reimer, Bill Luptak. Seated: Ernie Doerksen, Barbara Thiessen, Warren Browne, Mr. H. Mesman, Staff Adviser; Keith Wiebe, Rick Wall, Harry Thiessen.

Our school sports season started with football. The football team was stronger this year than it has been in the last few years, and finished the season with five wins and three losses. The girls' volleyball team also had an excellent season, losing only two games and winning six.

A cross-country race was held in Winkler with teams from Miami, Morden and Winkler participating. The entire course was approximately 2 miles long. The Winkler team won the race and received the trophy.

With the football season over, our P.E. instructor started an inter-room volleyball and soccer program. In the volleyball program the 11W girls and the 12B boys proved themselves champions by not losing any game. The soccer championship was won by the 10A boys.

The inter-room basketball program was started after the volleyball program was finished. Our instructor had enough girls, as well as boys, signed up so that he could form six teams for both girls and boys.

The basketball season started as soon as the football season was over. The girls had a fair team and at the end of the league schedule were in third place with five wins and five losses. The boys had an excellent team and ended the league schedule in first place with nine wins and only one loss. They then went on to defeat Miami in the semi-finals, two games to none. However, they lost the finals to Lowe Farm, two games to none.

Our instructor held sprint championships after Christmas for the High School. The overall champion of the girls was Shirley Giesbrecht and of the boys it was Ron Kehler. Our instructor plans to have championships in the following events: country-country and the mile for boys only, 100 yards, 220 yards, 440 yards, 880 yards, hurdles, high jump, shot put, broad jump and discus for both boys and girls.

Garden Valley School Division

On Friday, July 12, 1963, the voters of the Garden Valley School Division voted for forming a division at the high school level. Following this vote, the first trustees for the Division were elected on Friday, September 27. Subsequently, January 1, 1964, the new Garden Valley Division was organized and the following trustees took office: Ward I, Mr. Isaac Warkentin; Ward II, Mr. John A. Walkof; Ward III, Mr. John H. Wiebe; and Ward IV, Mr. Henry F. Wiebe and Dr. Ben J. Froese. Since then, Mr. David J. Klassen has replaced Mr. J. H. Wiebe who has accepted the position of Secretary-Treasurer of the Division.

There are two high schools in the division, Plum Coulee and Winkler. Twenty high school teachers are employed, five at Plum Coulee and fifteen at Winkler.

The enrollment from each of the districts which send high school pupils to Winkler Collegiate is as follows:

WINTER

Esther Dyck Grade XII

When tranquil Winter softly comes to sow
Her welcome crop of peace, 'mid thorns of strife,
With feath'ry diamond-studded seeds of snow,
Like twinkling stars, or eyes in love with life;
Oft e'er those seeds have firmly taken root,
The savage storms and winds — that season's bane —
Assail serenity, destroy, and loot,
Then trace their footsteps back and strike again;
But when that melancholic storm has gone,
And all debris — storm-gathered — swept away,
The seeds of peace have conquered night, and dawn
Greets Winter's white horizon with the day;
First calm, then storm, then the calm repeated o'er,
Much greater, deeper, purer than before.

HITCH HIKING

by David Kirk, *Grade XI*

When sunny days and cool nights once more make young people itch for something to break the monotony of summer holidays at home, don't despair. Many air-castles we teen-agers build in the lazy hours of a boring afternoon are not as impossible as they usually seem. One of these is the longing to travel abroad and see the world. Hitch hiking is the simple solution I should like to discuss with you.

A trip to a cherished part of our large country to camp, fish, visit a relative or to make new friends can so economically and easily be done by sticking out one's thumb. This is also an ideal way to become more self-reliant.

Last spring's mosquito plagues convinced my younger brother and me that we would set out for the Rockies where we expected to be able to sit on a lonely mountain without a blood-thirsty misquito for company.

To give you an idea of how fast hitchhiking can be, I can relate that we started at 9 in the morning and bedded down at Swift Current. The next night we slept under a grove of cedars in a small town near Trail, British Columbia. The refreshing climate and scenery of B.C. certainly was worth the few hardships of hitchhiking there.

Finally, we could see the Pacific Ocean and feel the crisp air up on a lofty mountain. Cool nights under myriads of stars, watching the icy moon roll over dark mountain peaks and listening to the mournful whistle of a distant train are thrills I will never forget. We could think of that stuffy little bedroom back home. How glad we were that we had come to this paradise. The rich pine odour encouraged us to breathe deeply and enjoy life. That was living!

Of course, there are always some less thrilling experiences, but even these can add life to a homesick wanderer abroad. Our first unfavourable experience came at Banff. We were on our way to Lake Louise when an R.C.M.P. took us to headquarters back in Banff. There they confined us to a little cold room while they radioed and phoned home to check whether we had run away. You can imagine our grin when they allowed us freedom 8 hours later without the slightest hint of an apology!

People on campgrounds are generally quiet, making the probability of being robbed small. Apparently someone needed a pullover at one campground though, but that's all we lost.

Hitchhiking across the border requires one to have at least a pocket full of money and a letter from his parents. When a Montana custom's officer discovered we were fondling the idea of hitchhiking to San Diego, California, with \$20 between us, he tossed some oranges at us and ordered us back to Canada.

Being sociable is very important to make a gay trip. A number of people we met stretched things a little the other way. One cold night after the caretaker had made a great deal of noise in chasing us out of a campground kitchen, we went to sleep under the trees again. At midnight my brother awoke on some rough gravel beside a road about 100 yards from where he had gone to sleep. He got up and drowsily tripped back over the ropes of other campers' tents and dropped off to sleep grumpier than ever. We never did catch the prankster!

Another morning my brother built a huge fire just for the sake of seeing a fire. It wasn't very long before I straightened in alarm. I glanced at my shoes near the fire and sure enough — a cloud of ugly black smoke curled above the half-burned shoes.

But again this was no problem. I just rolled up my pants and was a good old-fashioned hobo with bare feet the next few days. We continued cheerful as ever.

Hitchhiking far into the unknown may seem dangerous, but our experience was about as smooth as it would have been back home. Here in Canada where there is help at almost any door you knock, hitchhiking can be a very economical and enjoyable vacation. Why not join the happy wanderers in the scintillating life of a hitchhiker?
